JEB DUNNUCK

"comes from a mix of the single vineyard releases and spent 18 months in just 20% new French oak. Awesome notes of kirsch, wild strawberries, toasted spice, and flowery incense all emerge from the glass, and this beauty is supple, medium to full-bodied, and seamless on the palate. While it's a big wine, it stays beautifully balanced and elegant."

KYSELA PERE et FILS, LTD.
