"Bright, full medium ruby. Youthfully tight aromas of blackberry, blueberry and licorice. At once sweet, precise and fine-grained, with the black fruit flavors lifted by underlying minerality and a floral element. This very fresh, northern Rhône-like Syrah conveys an element of liquid rock without being gamey. Tactile tannins dust the front teeth on the long back end. Very impressive. (14.95% alcohol; vinified with 15% whole clusters in concrete and stainless steel, then aged for 19 months in 20% new 300- and 500-liter French oak barrels; 3.85 pH)
