JEB DUNNUCK

"The base cuvée, the 2018 Châteauneuf Du Pape Le Miocene Blanc has incredibly classic notes of pear, pineapple, and white flowers, with just a hint of salty minerality. It's beautifully textured, medium-bodied, and refreshing on the palate. It's about as classic as they come and readers looking for an introduction into the whites of the region should grab a few bottles. It will keep for 2-3 years."
