JEB DUNNUCK

"The 2017 Châteauneuf Du Pape Les Origines takes things up a notch on the serious scale and has a much more concentrated, focused, structured style. A blend of 50% Grenache, 30% Mourvèdre, and the rest Syrah that saw 50% new barrels, it offers a rich, concentrated, focused texture, notes of black raspberries, roasted garrigue, pepper, and tons of minerality, building tannins, and outstanding length. The new oak is beautifully integrated, it's perfectly balanced, and it's one of those wines that has a kiss of modern character yet stays firmly planted in the Southern Rhône."
