### ABOUT THE WINE

The Côtes-du-Rhône is made from various type of soils, the most predominant of which is limestone terraces with sand and red clay. This terroir provides an extraordinary richness and complexity with a Mediterranean style.

The color is purple-tinged garnet. The bouquet of aromas offers fresh berries (wild raspberry, blackcurrant, blackberry) and hints of spices. The palate is big and full-flavored, with silky-smooth tannins and red and black fruit flavors. The finish introduces touches of liquorice and pepper.
