explore all things wine

"The 2016 Cabernet Sauvignon is blended with 7% Malbec and 6% Cabernet Franc and spent 22 months in seasoned French oak. It has a classy bouquet of expressive red berry fruit, cedar and light undergrowth aromas that leans toward the Left Bank. The palate is medium-bodied with great sapidity right from the start. The tannins are extremely fine here, and the finish fans out gloriously with just enough bite to tempt you back for another sip. This is an outstanding Cabernet from winemaker Alex Starev. - Neal Martin"
