"The best Cab Sauvignon we have tasted from South Africa (blended in with 7% Malbec and 6% Cab Franc). Grown in the Cottage Lane Vineyard on the crest of a ridge over one thousand feet above sea level, its small vines produce low yields. Concentrated, with tight-fisted tannins, the expressive flavors of espresso, dried violets, and blackberry are an art form.

Meaty textured, with a lush middle and end."

KYSELA PERE et FILS, LTD.
