Estate Reserve 2014

90  pts
WINE ADVOCATE

"It begins soft and shy on the nose and the palate moves to the bolder side, with dark-fruited expression and dusty, floral minerality. Medium to full-bodied, it's focused and structured with spicy tones across the mid-palate. The wine ends with focused, grippy tannins on the

long finish and it should age well.
14,229 bottles were made.
