Stellenbosch, SOUTH AFRICA

## Pondokrug Cabernet Franc

The Keermont Single Vineyard Series was created to highlight the superb quality and individual character of the wines from certain parcels. Pondokrug Cabernet Franc offers typical herbal aromas complimented by strawberries and red candy. The palate is intense with bright red fruit flavors, hints of sherbet, red peppers and black currant. The tannin structure is tight and grippy and a strong central acid core gives the wine a long powerful dry finish.
