JEB DUNNUCK

"Blackberries, blueberries, violated, and peppery herb notes all emerge from the 2017 Malbec. It's medium-bodied, has a charming, rounded, fruit-loaded style, and is another terrific value under this label. Made from 100% Malbec that spent three months in 10% American oak, it's a high-quality house red to drink over the coming 2-4 years."
