

ENCOSTAS DO LIMA

VINHO VERDE 2020
GRANITE

GREAT
VALUE

"Excellent"

The Washington Post

"Lean and focused, the Granite version of this vinho verde seems focused on the earth - or the rock. Aside from showing how geology influences a wine's flavor, it's a delightful patio sipper and a good choice for those relaxing days when lunch isn't just a sandwich hastily scarfed at our desks. - D. McIntyre"
