"The 2021 Viognier The Age of Grace comes from Sutherland and Bot River, whole bunch pressed with 11 months on the lees using 15% concrete eggs. With pretty white peach and Mirabelle scents on the nose, this takes time to blossom, but it never fully lets go. The palate is medium-bodied with a gorgeous dried apricot, mango and spicebox entry, nothing blowsy here with a very focused, almost understated finish. Excellent.
