explore all things wine

"a subtle, well-defined bouquet of detailed lemon sherbet, lemon thyme and crushed pebble scents, poised and, yes, graceful. The palate is well balanced with a fine bead of acidity, and linear and quite steely toward the almost Chenin-like finish. This is not a flamboyant, Rhône-like Viognier – it's is far more tensile and racy - NM"

[KyselA PERE et FILS, LTD.](#)
