"Sam O'Keefe's Reserve bottling all comes from her picturesque estate in Greyton and is an impressive wine in 2018. The wood is better integrated than it was in the previous release, possibly because of the use of 40% malolactic fermentation. Citrus, pear and passion fruit flavors are supported by minerality, stony acidity and subtle wood spices. Delicious.

2019-25 Greyton (13.5%)"
