WINE ADVOCATE

"showed lots of roasted sesame seed, smoky and oaky notes intermixed with aromas of nuts and ripe berry fruit. The palate showed abundant, dusty tannins that give it a little bit of a drying texture. This blend of 95% Tempranillo and 5% Graciano was cropped from a very dry and warm vintage. The wine matured in oak for 18 months."

"A mature red with plenty of candied-orange character on the nose. Then a rather attractive balance of moderately dry tannins and medium to full body. Good length, if not very complex."
