ABOUT THE WINERY

Lydian was established in 2019 as a new way to experience Washington wine. The team behind the fast-rising success of Avennia brings you another delicious wine that serves as an introduction to a lifetime of wine appreciation and a fresh take on Washington terroir.

In music, Lydian refers to a musical mode, or scale that is used as a building block for some of the world's oldest and newest masterpieces. This happy sounding mode brings joy on its own, yet when molded and crafted by talented musicians can become a work of timeless art.

ABOUT THE WINE

Lydian: a fun, fresh take on Washington Wine.

Avennia believes Washington vineyards produce some of the finest building blocks in the world. With these grapes, and the collective talent behind those growing and working with them, Lydian wines can be as complex, nuanced, and profound as any jazz classic.

"Aromas of café au lait and cocoa powder are followed by notes of freshly chopped herb and cherry. Big, bold but still in check fruit flavors follow, with plentiful spice accents throughout. Coffee notes linger on the long finish. It shows rare balance for a wine at this price." – Sean P. Sullivan
