PINOT NOIR 2012

SONOMA COAST

95 + pts

"In 2012, a very large crop that was quite ripe produced a supple, sexy, fruit-forward style of Pinot Noir. The dense purple 2012 Pinot Noir Marcassin Vineyard offers up broad, savory mushroom, forest floor, blackcurrant and Asian plum sauce notes and has full body, sweet tannin and good acidity. Drink this sumptuous beauty over the next decade or more.
