

MAYSARA

WILLAMETTE VALLEY

Intriguing notes of fresh earth, oak leaves and pepper are woven together in the initial impression. Lifted, verdant tannins give this wine a firm structure for the vintage to showcase its characteristic starry-eyed smile.

Handcrafted by the Momtazi sisters whose differing personalities, combined with elegance, finesse and balance, reflect the dynamic characteristics of the Momtazi Vineyard. The sisters, Tahmiene, Naseem and Hanna, set out to make a pinot that tastes great and has the highest quality fruit all while being affordable for everyone.
