## Arsheen

### Pinot Gris 2022

"A pale straw, the 2022 Pinot Gris Arsheen is lightly flinty, with a soft, floral perfume of geranium, ripe melon, and tangerine. Medium-bodied, it's juicy and long on the palate, with more substance to its ripe notes of pear and a touch of saline. A ton of wine for the price, this is not your run-of-the-mill Pinot Gris. It has a lot of character and should have several years ahead of it."
