

2019 Miau Malbec

4 Gatos Locos

Argentina – Mendoza – Gualtallary

ABOUT 4 Gatos Locos

4 Gatos Locos is a project created by Gabriel Bloise, Facundo Bonamaizon, Mariana and Juan Pelizzatti - winemaker, viticulturist and founders of Chakana Winery (respectively). The project centers on a 20-hectare vineyard in Alto Gualtallary, the most prominent growing region in Argentina. The vineyard is situated 1,360 meters above sea level, on a 10% slope on the Sierra del Jaboncillo - a relatively old geological formation near the alluvial fan of the Las Tunas River, in the Tupungato area. The long exposure to arid conditions of calcium rich gravel has created one of the most calcium carbonate-rich areas in Mendoza. This combination of altitude, slope, gravel, and the calcium carbonate create uniquely deep, textured wines, with intense color and mineral freshness.

ABOUT THE WINE

Miau is the typical cry a cat makes when willing to attract attention. Made by four mad cats - Mariana, Facundo, Gabriel and Juan - from their vineyard high in Alto Gualtallary, where the sun, slopes and limestone create the best wines in Valle de Uco.

The wine boasts a very deep color, red fruit aromas, spice and herbal perfume with an intense profound mineral palate. Juicy and round tannins.
