## DELIGHTFULLY LIGHT

Unlike many 'light' wines that are 'designed' in the cellar, the Montino range is naturally lower in alcohol. Following a strict policy of 'nothing added, nothing taken away', grapes are picked green with less natural sugar for a wine that is naturally lower in alcohol and kilojoules for a more conscious lifestyle. The Montino range is made in 'petillant style', which adds a slight sparkle for a crisp and refreshing finish, perfect for warm summer days.
