

Domaine de la Mordorée

TAVEL

LA DAME ROUSSE

2022

"Pale watermelon in color, this wine is composed of 60% Grenache, 15% Cinsault, 15% Syrah and 10% Clairette. It has a focused nose of ripe watermelon, cherry skin, blueberry, violets and wild herbs. While the wine has plenty of structure for additional cellaring, enjoy it now with a creamy goat cheese."
