CABERNET SAUVIGNON

2019

South Africa

91 PTS

"Ruby black color. Aromas and flavors of black currant, underbrush, terra cotta, red clay, and allspice with a round, lively, dry medium-to-full body and a seamless, complex, long finish with overtones of black plum, espresso bean, dark chocolate, tea, and lavender with fine, well-integrated, firm tannins and light oak flavor. A precisely balanced, delicious and easy drinking Cabernet that boosts subtle complexities of flavor; drink now or cellar for 3 to 6 years."
