Robert Parker
WINE ADVOCATE

"Here's an Italian sparkling wine that opens to a very delicate bouquet that is held together with light floral aromas of jasmine and lemon blossom. The Rebuli NV Valdobbiadene Superiore di Cartizze Dry is light, delicate and precious in terms of its aromatic output. Its texture is mostly built upon the silky creaminess of the very compact and fine effervescence. A point of sweetness adds to a sense of softness. This is your textbook Cartizze sparkler. Fruit is from the 2017 vintage, although it is not recorded as such on the bottle."
