

SUNSET HILLS VINEYARD

CHARDONNAY

2017

Shenandoah Springs Vineyard

EXCEPTIONAL * * *

"Wow — almost every Virginia winery makes chardonnay, if only because they feel customers will demand it. A few are making exceptional chardonnay. I'd add Sunset Hills to that list based on this wine. It features lovely flavors of ripe peach and apricot, buttressed by a hint of oak. This is beautifully aromatic, textured and long. There is a hint of bitterness on the finish some might find distracting, but it evens out with food. Don't serve this too cold, and use your larger red wine glasses to give the aromas room to flourish. This wine is a club members' special at the winery in Purcellville, in Loudoun County.- Dave McIntyre"
