

SYLVESTRA EXTRASECCO

FAMILIA BRESSIA

EXTRASECCO IS THE NEW SPARKLING WINE FROM THE BRESSIA FAMILY. PROSECCO STYLE AND BOTTLE FERMENTATION METHOD IS THE ULTIMATE EXPRESSION OF THE ITALIAN CLASSIC WITH THE PARTICULAR TOUCH OF SYLVESTRA.®

With an elegant presence, delicate and tiny bubbles and an attractive greenish-yellow color, it is the result of an intense, meticulous and controlled elaboration. Fresh, fruity, with delicate aromas of orange blossom, jasmine and hints of arugula, mint and basil in perfect harmony and combination.

Pleasant on the palate, with a sweet entry and subtle body, we imagined and created it to be fully enjoyed. On its own, as an aperitif or in unique cocktails!
