## Wine & Spirits

"Peter Kelly makes this wine from a parcel in northern Barossa along Ebenezer Road, where the vines grown in sandy loam soils. This is a vibrant red with concentrated fresh boysenberry fruit and equally fresh tannins, mataro in all its primitive glory. The tannins bring dark notes of salty black beans and cumin spice, while the fruit cuts through with a prickle of acidity. It's a spicy, untamed red with a long horizon line of flavor."
