JEB DUNNUCK

"Coming from the Calatayud region of Spain and 70% Garnacha and 30% Tempranillo, the 2019 Rosado Rose boasts a medium ruby hue as well as a big bouquet of ripe cherry, watermelon, framboise fruits, and a touch of spice. Playing in the medium-bodied end of the spectrum, with plenty of richness yet also good acidity, it's going to be incredibly versatile with food and drink beautifully over the coming summer months."
