"(raised for 16 months in new and used American oak barrels) Deep, bright-rimmed ruby. Expressive, mineral-accented aromas of ripe dark berries, incense and smoky minerals, with vanilla and licorice undertones. Sweet, spicy and focused in the mouth, offering juicy blueberry and cherry liqueur flavors that are enlivened by a peppery spice accent. Smoothly combines richness and vivacity and finishes with impressive focus, lingering sweetness and supple tannins that build slowly and add gentle grip. - Josh Reynolds"
