

# VITTORE

## VERMOUTH BLANCO

**White Vermouth: flavored fortified white wine base, together with aromatic mediterranean herbs such as fennel, chamomille and tyme, sweeted with sugar, and grape must caramel.**

**White straw colored vermouth with a steely glint. The nose is intense, but still very pleasant and charming. It is well defined, with citrus notes and hints of Mediterranean herbs. These spicy herbal notes are quite refreshing. The palate has a nice pace, it is fresh with some natural bitterness and a long attractive finish.**
