

# WINZER VON ERBACH

2016

## WINE ENTHUSIAST

"A tinge of lime pith lends nuance to this straightforward yet refreshingly citrusy Riesling. Just a shade off dry, its delicate sweetness is balanced neatly by cutting acidity and a spry, zesty mouthfeel. Enjoy now for its freshness."

## The Washington Post

"The liter bottle (a third more than the standard 750 milliliters) makes this tasty summer white an especially good value and an ideal take along for picnics or patio parties. This is good, basic Riesling — dry to satisfy the purist but fruity enough to appeal to anyone who prefers a little sweetness. It also has wide distribution throughout the Washington area."
