WILLIAM RANDELL

SHIRAZ

2017

THE BRAND

The William Randell range of wines were created in honour of our family ancestor - the esteemed pioneer William Richard Randell (1824 - 1911). The wines are sourced solely from grapes grown on our estate vineyards. Wines in this range are only made in exceptional vintages.

WINEMAKERS NOTE

This Shiraz is deep inky red in colour with a bright purple hue. On the nose there is an abundance of dark fruits with mocha and dark chocolate notes. The palate shows great depth of fruit and density. Black cherries and spice are supported by integrated tannins which lead to a delightfully long finish.

VINTAGE

An above average wet spring and cooler than average summer temperatures led to a later start to picking than normal. This combined with a long and mild ripening period meant that our fruit developed to a beautiful level of maturity on the vine. This has led to outstanding flavours and perfumed, expressive wines. The colours are vibrant and tannins are silky with a fine savoury finish.

WINEMAKING

Following harvest the fruit was crushed into a variety of small fermenters (4 to 6T in capacity). Fermentation was carried out at a warm temperature (25-28°). The ferments were manually pumped over to provide good control of tannin extraction. Each fermenter was treated as a separate parcel of wine and once dry was filled to American oak (40% new). Following malolactic fermentation the wines were racked and returned to the same oak. Parcels remained in barrel for an average of 18 months prior to blending. Only the best barrels from the multiple parcels were used to make the final blend. Once blended the wine was prepared for bottling.

ALCOHOL - 14.5% **WINEMAKER** - PETER KELLY
