CREMANT D'ALSACE Brut

"Made the traditional method, this 90/10 blend of Pinot Blanc and Pinot Auxerrois from the Alsace with a minimum of 12 months on the lees. Showing apple and shortbread on the nose, this Crémant has a lovely creamy, textured mouth feel and firm acidity that combine to offer unusual drinking pleasure in a wine of this price. If you're trying to decide whether to buy a Prosecco or spend a few more dollars for this wine, I'd say go for it!"
