

Don Piere Sparkling Brut

El Gaitero Group

Spain - Asturias

The grapes for this sparkling are sourced from high elevation areas throughout Spain. Don Piere offers a crystal clear pale yellow color, small and abundant bubbles of great finesse and elegance. The nose shows light and pleasant citrus and fresh fruit aromas. Well-balanced and refreshing on the palate with fruity flavors, good acidity and pleasant texture.

Specifications	
Varietals	90% Airen, 10% Viura
Vinification	After maturation in stainless steel tanks the wine is homogenized, adapting it to its sensory characteristics. The wine is then clarified and filtered to ensure its microbiological stability. The carbonation system leads to a wine with a slightly persistent foam with the formation of beads of great finesse in the bubbles, providing a perfect combination of aromas and flavors.
Pairings	The wine is a great match with appetizers, grilled fish, or desserts and cocktails, mixed in a Bellini. Ideal sparkling to share with friends and celebrate.
