## Le Jade Sauvignon Blanc

## Les Costieres de Pomerols

## France - Languedoc-Roussillon

The wine comes from sun-drenched vineyards planted on the best terroir, selected for its physical and geographical characteristics, on clay and limestone hillsides called "costieres" $\square$ (coastal region), only a few miles away from the Etang de Thau - a coastal lagoon that is situated between the port of Sete and Marseillan.

This Sauvignon Blanc boasts a silvery straw color. Crisp and fragrant white wine with wonderful aromatic intensity, fresh exotic notes, delicious fruity aromas of citrus and gooseberry. A great varietal expression, this is a zesty and refreshing wine that lingers on the palate.
