Nectarous Dry-Hopped Sour

Four Winds Brewing

Canada - British Columbia - Delta, BC

This is an American Style Sour Ale.

Four Winds Brewing feels this is one of the best examples of a mixed culture, American style sour ale in Canada. This is their most award winning beer, bringing home" Beer of the year" in Canada 2016 and various silver and gold medals at the Canadian Brewing awards over the years. In pursuit of sour, complex acidity balanced by tropical fruit esters, gives way to a clean, tart finish
