

Ferren Pinot Noir Sonoma Coast

Ferren Wines

United States - California - Sonoma Coast

The Sonoma Coast bottling is a blend of barrels from Ferren's single vineyard offerings; roughly half Silver Eagle Vineyard and half Frei Road Vineyard. The wine is always somewhat more approachable early in its life as they use less new oak in the blend. Pure and translucent fruit is the hallmark of this cuvée. Blue and black fruits predominate on the palate with silky, polished tannins providing a seamless mid-palate and finish.
