

William Randell Cabernet Sauvignon

Thorn Clarke

Australia - South Australia - Eden Valley

The William Randell range of wines were created in honor of the family ancestor - the esteemed pioneer William Richard Randell (1824 - 1911). The wines are sourced solely from grapes grown on the family estate vineyards. Wines in this range are only made in exceptional vintages.

The deep red color with purple hues of this wine draw you in. The nose is brimming with notes of fresh blackcurrant intertwined with complexing savory spice. The palate has an integrated French oak influence with notes of toasty cedar accompanied by further notes of briary fruits. A wine with great depth and drive.

| Specifications | |
|----------------|--|
| Appellation | Eden Valley |
| Varietals | 100% Cabernet Sauvignon |
| Vinification | Following harvest the fruit was crushed into a variety of small fermenters (4 to 6T in capacity). Fermentation was carried out at a warm temperature (25-28 degrees). The ferments were manually pumped over to provide good control of tannin extraction. Each fermenter was treated as a separate parcel of wine and once dry was filled to French oak (40% new). Following malolactic fermentation the wines were racked and returned to the same oak. Parcels remained in barrel for an average of 18 months prior to blending. Only the best barrels from the multiple parcels were used to make the final blend. Once blended the wine was prepared for bottling. |
