

Roland Champion Champagne Blanc de Blancs Grand Cru Non-Vintage Brut Eclat de Craie Zero Dosage

Champagne Roland Champion

France - Champagne

This cuvée is made for Kysela Père et Fils only. It is a Zero Dosage, meaning no liqueur d'expedition was added during the disgorging process.

It is the same base as the Grand Cru Blanc de Blanc Chouilly NV as it is also made from 100% Chardonnay and is produced from the free run juice only. Fresh and delicate, its fine bubbles and wide range of aromas will be perfect as an aperitif. A classic Blanc de Blancs Champagne.
