

Carod Clairette de Die

Cave Carod

France - Rhone Valley - Clairette de Die AOC

Clairette brings delicacy and lightness to the wine whereas Muscat gives its typical sweet flavor. The wine displays intense aromas, a refreshing balance of fruit and acidity with peach, orange and white flowers flavors.

Wine to be consumed young, to conserve the full fruity and floral flavors. To be stored flat in a cool room away from light.

Specifications	
Appellation	Clairette de Die AOC
Varietals	75% Muscat Petits Grains and 25% Clairette
Soil type	Limestone and Clay
Vinification	Ancestral method is used. After harvest, the grapes are rapidly pressed and placed in low-temperature vats (similar to how the ancient Vonconces kept jars in the icy waters of their local rivers). The partially fermented must is bottled to ferment further. Disgorging at least six months after bottling, once the alcohol content has reached 7 to 9%.
Pairings	This is an ideal wine for all desserts and ice creams, and is very interesting with foie gras. It is especially suitable for daytime meetings and cocktail parties. A great breakfast wine!

Codes, Weights and Measures	
UPC	8 33184 00121 7
Units/Case	12
Unit Size	750 mL
Container	bottle
SCC	1 08 33184 00121 4
