

El Principal Calicanto Red Blend

Vina El Principal

Chile - Central Valley Region - Maipo Valley

Calicanto is a tribute to the Can y Canto Bridge built over the Mapocho River in Santiago between 1767 and 1782 and where the first Chilean wines were traded. It symbolizes the blending of two cultures as well as the commitment to producing wines that reflect the personality of their exclusive terroir.

The wine displays a fresh and fruity character, spicy notes and soft, silky tannins.
