

Long Shadows Feather Cabernet Sauvignon

Long Shadows Vintners

United States - Washington - Columbia Valley

Acclaimed Napa Valley vintner Randy Dunn has a reputation for producing world-class Cabernet Sauvignon. He brings more than four decades of winemaking experience to the Columbia Valley to produce Feather, his only wine made outside of California.

Feather combines three distinct Washington state Cabernet Sauvignon growing regions to create a complex, layered wine. Weinbau (Wahluke Slope) and Dionysus (White Bluffs) vineyards comprise the majority of the finished blend. Weinbau gives the wine structure, and Dionysus lends a lush, dark character. The remaining quarter of the blend is from a handful of top Horse Heaven Hills vineyards selected for refined, silky tannins and appealing earthiness.

Dark and concentrated in color with depth that’s consistent with its intense flavor profile and texture. A generous wine that offers ripe black fruit character, notes of fresh plums and a hint of dried herbs. The mouthfeel has structure and richness that mingles with elegant tannins to create a complex, fully integrated impression. Drinking beautifully in its youth, this wine also has enough tannin and bright fruit to benefit from a long life in the cellar.

Specifications	
Appellation	Columbia Valley
Varietals	100% Cabernet Sauvignon
Vinification	Hand-harvested grapes picked at the peak of ripeness were sorted, lightly crushed, and fermented in small stainless-steel tanks. During fermentation, the cap was pumped over vigorously to extract color and structure. Then as fermentation neared completion, pump overs were handled more gently to further extract color and flavor without imparting harsh tannins. Aged 22 months in all French oak barrels, 85% new.
