

# Amaren Rioja Tempranillo 60 Reserva

Bodegas Amaren

Spain - La Rioja - Rioja

Only perfect grapes are used for this wine. The search for perfection can be found at every single stage of its creation: the vineyard, grape selection, vinification and ageing. Limited production.

Color: Cherry red tones with high robe.

Nose: Fine, elegant and complex in the nose with good concentration of black fruit, subtle touches of creamy oak as well as hints of roasted coffee and minerals.

Palate: It is full-bodied, fleshy and elegant, with plenty of complexity and power. This wine shows black fruit jam and liquorice, firm structure and a long, delicious and persistent finish.
