

Arzuaga Ribera del Duero Crianza

Bodegas Arzuaga

Spain - Castilla y Leon - Ribera del Duero

The Crianza is mainly produced from Tempranillo: 70% come from La Maquinilla vineyard - the oldest of La Planta farm and cultivated at 911 meters of altitude in calcareous clay soils with limestone rock, one meter away from the surface. The other 30% come from centuries-old vineyards of pebbled and sandy soils, from the area in the province of Burgos.

Dark cherry color with purple highlights. Powerful nose and high aromatic diversity of ripe red and black fruits, spicy and balsamic notes, and a roasted finish. Soft and mellow in the mouth with a great fruitiness and length.
