

HOPMAN

NEW ENGLAND STYLE IPA

ABV: 8.5% | Hops: Galaxy, El Dorado

Hopman (ABV 8.5%) pays homage to the sweeter side of El Dorado & Galaxy hop.

Expect these hops to impart notes of blood orange marmalade, light aromas of sweet citrus, with a finish of honeydew melon, & traditional Italian aranciata.

With Galaxy being imported from Australia, & El Dorado being sourced from Washington state, these hops have traveled across the world to meet at your glass.
