

Under a Cloud

Hazy India Pale Ale

ABV: 7%

MALT: 2-Row, Malted Oats, Carapils, Flaked Wheat

Simcoe, Mosaic, Citra Cryo, Bru-1,

HOPS: Ekuanot

Inspired by a particularly expressive crop of BRU-1 hops found during our yearly hop selection, Under a Cloud boasts notes of nectarine, candied orange, and tropical fruit. Simcoe, Ekuanot, and Citra Cryo Hops bolster these tones, heightened by a mash featuring lots of fluffy malted and flaked oats. A heavy-handed dry-hop makes Under a Cloud one of our most aromatically explosive IPAs to date.

Proudly brewed in Athens, Ohio
