

SUSQUEHANNA

Sunny Spot GRAPEFRUIT SHANDY

If anything says "summertime," it's the pleasantly sweet-tart flavor of ripe grapefruit. Mix that with all the goodness that is Susquehanna beer, and you get the perfect summer sidekick.

Smooth and zesty, with just enough zing to keep things exciting, this is a good one to have by your side for the summer barbecue and weekends at the lake. When you're basking in the warm sun, do it with cool shades on your face and a cold shandy in your hand.
