

# CT Valley Mackinaw Peach

CT Valley Brewing Company

United States - Connecticut - South Windsor

We got a little silly with over 1,700 pounds of peaches, but this sour is no joke. First fruity, followed by a wink of tart, it sends you on a flavor coaster of a ride with every peach-keen can. And no more waiting all year for your favorite peaches? Giddy-up!

The name came from the Seinfeld episode about Mackinaw Peaches.
