

Perennial Owen

Perennial Artisan Ales

United States - Missouri - St. Louis

Owen, named after Phil and Emily's son, is a table strength saison kettle and dry-hopped with Mosaic, and package conditioned with Brettanomyces Claussenii. It opens with aromas of ripe papaya and subtle pineapple. The tropical character continues on the palate with complementary notes of rose petals and mineral water. High attenuation and a lean base of Pilsner malt and torried wheat combine to create an incredibly dry beer with a snappy finish.

Specifications

Availability	Limited Release
Style	Saison
ABV	4.7
Hops	Mosaic
Glassware	Tulip
Packaging	cans & draft
Pairings	Serve as aperitif or try with ceviche.
