

Boxwood Red Reserve

Boxwood Winery

United States - Virginia

Boxwood shows a red ruby color. The nose is redolent of pronounced dark fruits, cherry, cardamom, toasty and lightly charred oak with a hint of vanilla. The palate is balanced and very well structured with generous fruit starting on the mid palate and following through to the end. There are essences of dark cherry and plum throughout with a touch of raspberry. The finish is lengthy with dusty lingering tannins complemented by bright fruit.
